"where science and service meet"

About us

As Ndzala Laboratory Supplies, we are committed to providing high-quality products and exceptional service to our customers in the scientific and research communities.

Our mission

Our mission is to empower scientists and researchers by offering a comprehensive range of laboratory supplies, including state-of-the-art equipment, premium consumables, and top-quality chemicals. We strive to be a one-stop-shop for all your laboratory needs, whether you are conducting experiments, analyzing data, or developing new research projects.

Our service promise

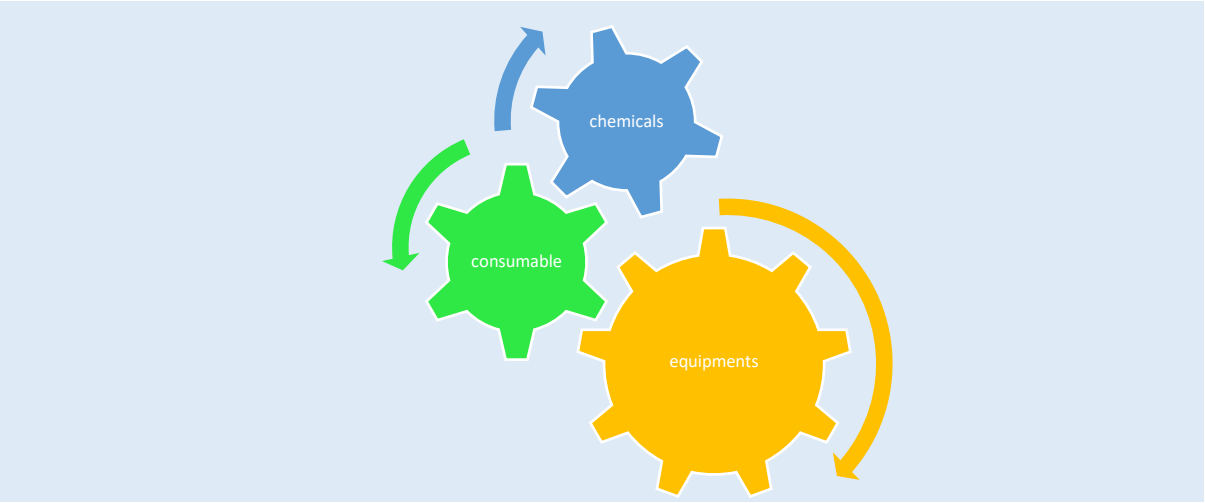

We believe that our success depends on the success of our customers. Therefore, aim to provide customized solutions that meet your unique needs and challenges. Our experienced professionals are always ready to offer expert advice, technical support, and training to ensure you get the most out of our products and services.

Our service commitment

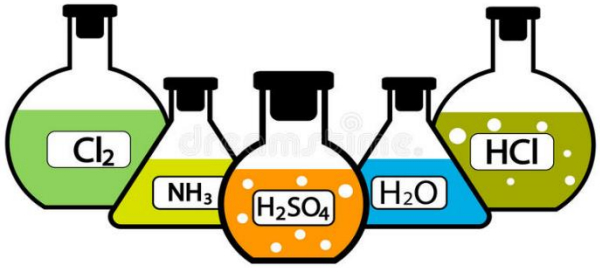

We are committed to excellence in everything, from sourcing the best products from leading manufacturers to delivering them to your doorstep with the utmost care and efficiency. We take pride in our quality control measures and adhere to the highest industry standards to ensure our products meet your expectations.

NDZALA LABORATORY SUPPLIES

"where science and service meet"

Laboratory equipment

Drying ovens

230 V, 50/60 Hz
Max 250°C

Fume hoods

Built-in blower
Easy to clean
Fire resistant

Flotation machine

110 and 220 V
50Hz or 60Hz
250 g to 2kg tests

Peristalic pumps

High pumping capacity of 398 ml/min
Reversible working direction
110 and 220V

NDZALA LABORATORY SUPPLIES

"where science and service meet"

Top loader balance

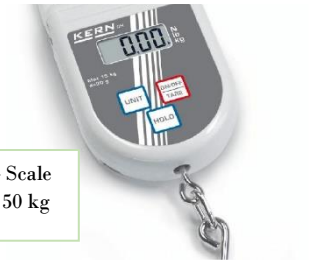

Max weight 25 kg
110 and 220V

Analytical balance

110 and 220V
Max weight 600g

Hanging SG scale

Hanging SG Scale
Max weight 50 kg

Floor check balance

110 and 220 v
Max weight 180 kg

Water bath

Digital display
Max temp 100°C
Capacity 5L

Pressure filters

Stainless steel
Diffrent daimeter

Jaw crusher

- Various sizes
- Rating 0.75kW

Rod mill

110 and 220V
Protective guard

NDZALA LABORATORY SUPPLIES

"where science and service meet"

Folding nose trolley

Magnetic stirrer/hotplate

Overhead stirrer
